

Q1 EURid's Quarterly Update

2024

In the first months of 2024, EURid focused on adapting to industry changes while supporting .eu domain holders. Here are some key points:

- **Dispute Resolution Support:** We continuously offer discounts on .eu Alternative Dispute Resolution (ADR) fees, and thanks to this support, our partners handled 16 disputes in Q1.
- **Partnership with Shadowserver:** We announced our collaboration with the Shadowserver Foundation to enhance our ability to detect abusive domains, contributing to a safer internet.
- **Universal Acceptance Day:** On March 28, 2024, we celebrated Universal Acceptance Day, emphasizing inclusivity in the online community through participation in UA Day events.
