

Full stack Web Developer (Python / JavaScript)

Join the dynamic and multicultural team behind one of the ten largest top-level domains in the world, .eu, (also available as .eu and .eu)!

As a Web Developer at EURid, you will play a critical role in shaping the future of the European online presence.

Our not-for-profit organisation is dedicated to managing, operating and promoting the .eu TLD with a mission to provide high-quality, secure, and accessible services to millions of users across the EU and beyond. We are constantly pushing the boundaries with cutting-edge technology and innovative solutions.

As a member of our dynamic Web Development team, working in our Brussels (Diegem) headquarters, you will:

- Play a key role in the integration of back-office systems into our public and B2B web infrastructure
- Contribute to the development and maintenance of our Content Management System
- Extend, improve and maintain, in collaboration with a content publishing team, our public websites
- Implement and evolve our web-based monitoring systems
- Learn and grow alongside more experienced profiles while working with state-of-the-art technologies

To be successful in this role, you should have:

- A bachelor's degree in computer science or equivalent experience
- 3-4 years of relevant work experience as a web developer
- In-depth knowledge of HTML and CSS
- Very good knowledge of Python and JavaScript (with Django, React or similar frameworks)
- Knowledge of SQL and experience working with Git
- Plus points: hands-on experience with Docker, RabbitMQ, CI processes, and the Atlassian suite (JIRA, Confluence, Bitbucket), testing frameworks (Selenium), and image editing tools (Photoshop, Gimp).
- Customer-centric and service-oriented mindset
- Capacity for both autonomous work and collaborative teamwork
- Fluency in English

EURid is committed to providing a dynamic and flexible work environment that promotes a healthy work-life balance for its diverse workforce including hybrid work, competitive compensation package and extended learning programs. Additional benefits to our compensation package include a personal company car, meal vouchers, a comprehensive group and health insurance plan and extra holidays.

EURid is the perfect place for you to grow both personally and professionally. Don't miss this exciting opportunity to join the friendly team behind the .eu / .eu / .eu top-level domains! Send your details or contact us via [jobs\[at\]eurid\[dot\]eu](mailto:jobs[at]eurid[dot]eu). and take your web development career to the next level.
