

Do you want to be part of the dynamic and multicultural team behind the .eu and .europa top level domains? Send us your CV today!

EURid is the not-for-profit organization appointed by the European Commission to operate the .eu and .europa top-level domains. The .eu domain ranks among the ten largest top-level domains in the world, connecting 500 million people in 31 countries to one Internet identity.

EURid is headquartered in Belgium (Diegem), and has satellite offices in Sweden, the Czech Republic and Italy. Our young organization employs people from all over the European Union and is the perfect arena for self-motivated professionals looking to be challenged and stimulated in their working environment.

For our office in Diegem, we are currently looking for a:

Junior Business Analyst

Description:

As a Junior Business Analyst, you will work in close cooperation with project managers and business analysts to assist with planning, managing and executing the project life cycle.

You will be helping to maintain high quality of delivered products within time constraints and ensuring efficient communication with all the stakeholders. You will work in a complex technical environment, applying modern practices and technologies such as microservices, virtualization, messaging and different database and storage technologies, with emphasis on stability, maintainability, security and performance in a continuously developing and adapting setup.

Your main tasks and responsibilities will include:

- Gathering, identifying and documenting business requirements
- Maintaining project plans
- Business process modelling and improving business processes and procedures
- Follow up on tasks
- Organizing meeting with stakeholders
- Verifying whether the product actually meets the requirements

Profile:

- You have a Master degree
- You have work experience in Business Analysis
- You have excellent communication skills
- You have the ability to concurrently manage multiple tasks/projects
- You have good problem solving skills
- You are a team-player, but able to work independently
- You are highly proficient in both spoken and written English and are fluent in either Dutch or French

Qualifications:

- Knowledge of Agile methodologies
- Previous experience in writing requirements is a plus
- Previous experience in project management is a plus
- Knowledge of Atlassian JIRA and Confluence or similar is a plus

What we offer: EURid offers you a challenging job in a young, dynamic and international environment. Please send your details or contact us for more info via [jobs\[at\]eurid\[dot\]eu](mailto:jobs[at]eurid[dot]eu).
