2024

In Q2 2024, EURid seized valuable opportunities to engage with stakeholders by actively participating in several key industry events, including Nordic Domain Days, CENTR Jamboree, and EuroDIG. These engagements allowed us to share ideas and strengthen collaborative efforts within our industry. Here are some additional quarterly highlights:

- **Partnership with Shadowserver Alliance:** EURid has partnered with this prominent global cybersecurity organization to collectively enhance cybersecurity measures.
- **New Data Quality System (EURidity):** EURid introduced EURidity to prevent the delegation of problematic domains and to streamline the withdrawal process when necessary.
- **New Support Platform:** EURid launched a new platform to make it easier for stakeholders to find answers and submit requests, providing a more organized and efficient support experience.
- **Registrar Satisfaction Survey Results:** In its 2024 survey, EURid contacted 241 registrars, of which 44% participated, resulting in an impressive Net Promoter Score (NPS) of 77.
