## Q2 - AT A GLANCE

Q2 of 2018 marked a focus on cybersecurity and securing the .eu domain name space. With our abusive domain name suspension efforts, spring .eu Illustrated on cybersecurity, and MOU signing with the IACC, our online community is becoming more secure by the day.

Overall number of registrations dropped between Q1 and Q2 of 2018, of which some can be associated with our abusive domain name suspension efforts and the uncertainty surrounding Brexit and the .eu TLD.

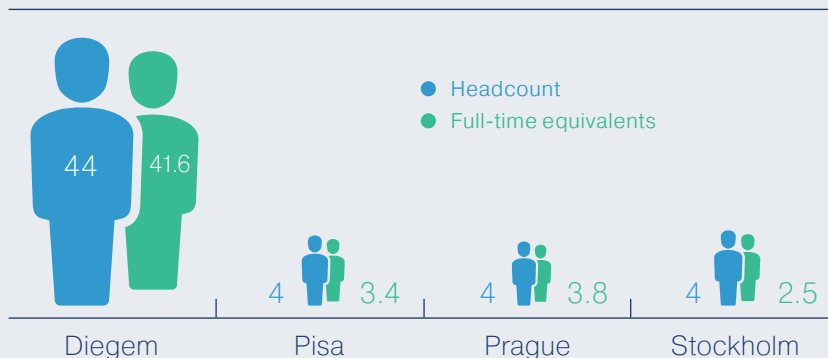

The quarter posted a renewal rate of 82.2%.

Our top growth country for the quarter was Romania, with 28.2% growth.

We look forward to continuing our pursuit towards creating the most trustworthy and secure online space in Q3!
