

Do you want to be part of the dynamic and multicultural team behind the .eu top level domain? Then send your CV today!

EURid is the non-profit organisation appointed by the European Commission to operate the .eu top- level domain. The .eu domain ranks among the ten largest top- level domains in the world, connecting 500 million people in 31 countries to one Internet identity. Almost 4 million .eu names have been registered since the domain opened for registration in 2005.

EURid is headquartered in Belgium (Diegem), and has satellite offices in Sweden, the Czech Republic and Italy. Our young organisation employs people from all over the European Union and is the perfect arena for self-motivated professionals looking to be challenged and stimulated in their working environment.

For our office in Diegem we are currently looking for a:

### **Web Developer**
